

## Calling All Participants...

Ever encounter a clinical conundrum? We want to hear how you tackled an interesting, novel, and/or unique clinical issue at the "Success Stories on Steroids" panel at the 2018 BALC Conference!

Each accepted participant will present a 5-minute summary that is behavior analytic in nature, data driven, and reflects a social significant issue.

Due dates:

Please submit your request no later than February 9<sup>th</sup>  
If accepted, two PowerPoint slides will be due March 1<sup>st</sup>  
(Slides include a description of the behavior,  
intervention, and data)

Please send submissions to Cresse Morrell  
[cmorrell@mbs-inc.org](mailto:cmorrell@mbs-inc.org)
