

Dear Friends & Colleagues,

The Behavior Analyst Leadership Council (BALC) continues to plan for the 4<sup>th</sup> Annual Conference and would like to assure registrants and presenters that we are addressing the concerns surrounding the coronavirus that is affecting many our communities. We are monitoring this situation on a daily basis and are kept apprised of the recommendations from the Centers for Disease Control and Prevention (CDC). The BALC plans to take action by implementing the recommendations from the CDC, World Health Organization (WHO), and major health organizations prior to and during the annual conference and it's workshops.

The 4<sup>th</sup> Annual Conference is scheduled for April 23<sup>rd</sup> – 25<sup>th</sup> and we currently are planning to move forward with the event as scheduled in Boston, Massachusetts. We remain confident that the event will go on and are committed to keeping you informed if any changes are required. We would like to thank you in advance for your ongoing support and commitment. Registration remains open.
